

Washington, D.C.

December 23, 1888.

My dear sir:

Your favor of the 18th. inst. has been received, and I see no objection to an agricultural school provided you do not trench in least upon your school funds nor create an institution from which you cannot be divorced, should other funds cease.

I confess I was not quite satisfied with the result at Montpelier.

Very truly yours,

Justin S. Morrill
