

Sunday Eve July 3 / 69

Dear Sister Ella

I received  
yours kind letter was glad  
to hear that your health  
was improving hope it will  
continue to improve You said  
you had got your picture taken  
why did you not send it I  
did not wait for an invitation  
I got it taken for ever lol

The young folks around there  
are agoin' to have a good time  
I expect tomorrow but let  
them have it I have mine  
almost every day

I should be so sick of  
living up there where it  
is so dry nothing a going  
on Here there is some fun  
in going to Church to what  
there is up there
