

Burlington Jun 11th 1858.

Hon Geo Pth Marsh

Dear Sir - Will
you be kind enough to step into Watsons
Marble Shop. & direct how to finish
up the Tablets of Marble. I think
now we shall want to set them as
soon as Monday.

I saw Pomeroy
last evening about the inscription
as how it shall read after 1789.

Pomeroy wished to see you whether any-
thing should be said about his being
buried beneath this Monument.

Respectfully yours

Ira P. Huntington
