Dear Mother

Thinking about things this morning I thought that I should write to you and have you or Father draw my State pay and let it out at interest I am told that you can draw it if I want you to and I whether you would draw it and have it on interest than to let it lay idle until I get home if I ever should. white I expect to some time I shall have som more money in these weeks from now at least the pay day comes then. there has bin a fight it was yesterday and the Union troops was overfull and it is reported that General Gordon is taken prisoner
